These results will determine the appropriateness of the student's enrolment in the school. We require parents to inform the school of any previous testing. If the student has received any exemption from the previous examination board, a detailed report of the same has to be submitted. ‘A’ Level Grading Structure

The Cambridge International ‘A’ Level is reported on a grade scale from A* (Highest) to E (minimum required performance). There is no A* grade for Cambridge International AS Levels, which run from grade A to E. Typical University entry requirements are above three passes at Grade C and English for academic courses in established universities. Very popular courses will often require higher grades.

It is advisable for students applying to Indian Universities to take the English Exam at the Cambridge ‘A’ Levels (Grade 12).

The School will observe the Student’s progress for the first six months and in some instances, may be advised to withdraw from a particular subject and pursue a different subject instead, if the student finds it difficult to cope with the curriculum. The student may also be advised to extend the program by another year making it a 3 three year program. The decision to do so is made in conjunction with Parents, the ‘A’ Level Co-ordinator and Head of Secondary in consensus with the Head of School.

The Parents and Student will have to sign an Essential Agreement stating that they have understood and accepted the scope of the Course Program.

The process for obtaining Indian equivalent percentage of the points awarded in the A Levels: For the current session, the student should make the request through the ‘A’ Level Co-ordinator.
